Student Ministry Sunday

Welcome to Student Ministry Sunday... We're glad you're here!

Today is a special day where the Student Ministry of Joy Christian Center takes over the Sunday Morning Service.

What does that mean for you? *You're in for a great time.*

Today's service will be designed just like a Student Ministry MERGE Night. This is the best way for you to get a taste of what Student Ministry is like on a Wednesday Night.

Please know, even though today will have a Student Ministry feel, *it's designed to minister to you*, right where you are. Whether you're 22-92 years of age, we believe God has something special for you today, and our prayer is that you receive it.

With all that said, today's service will have a little different flow to it... And that's okay.

Enjoy!

I. INTRO

A. Who You Wanna Be?

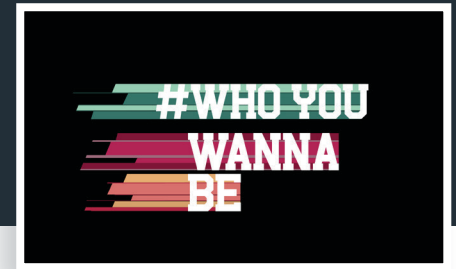

- I would want to be the best. The greatest of all time.
- No one says they'd like to be #2.
- In regards to Halloween costumes, kids don't desire to be a kinda-sorta cool character. No, they want to be Iron Man, Wonder Woman...maybe even a Storm Trooper. They don't want to be The Patriot, or Hawk...or someone else you probably don't know.

B. Even the people in the #2 spot desire to be #1

- Scottie Pippen

C. If you had a chance to speak to Scottie what would you say?

- What about when it happens to you?

II. PLAYING SECOND

Romans 12:10b (MSG) ^{10b} ... practice playing second fiddle.

- A. What does it mean to practice?
- B. Playing second is evidently a good thing

III. HOW CAN WE GET BETTER AT PLAYING SECOND?

Proverbs 25:6-7 (MSG) ⁶⁻⁷ Don't work yourself into the spotlight; don't push your way into the place of prominence. It's better to be promoted to a place of honor than face humiliation by being demoted.

1 Corinthians 10:24 (NIV) ²⁴ No one should seek their own good, but the good of others.

IV. CLOSING

- A. Lessons from a Fail
