

I. INTRO/REVIEW

A. Fruit Loops sound bites

- Everything changes when you know what's coming
- What are you packing for?
- What you pack reflects where you're going and what you expect when you get there

B. Value **of a vision**

- Without vision, something that God wanted to give life to, dies

Proverbs 29:18 (KJV) Where there is no vision, the people perish: but he that keepeth the law, happy is he.

- Vision is packing for a journey you haven't been on yet
- You have to see it before you see it

C. Seeing what isn't visible

- This is why we need faith because...

Hebrews 11:1 (NKJV) Now faith is the substance of things hoped for, the evidence of things not seen.

- There's a risk to faith – because it's unseen
- Everyone starts with baby faith
- You don't pack for where you are, you pack for where you're going

II. WHY LUGGAGE AND PACKING IS IMPORTANT

A. Empty vision

B. We see the obstacles

C. I pack from here, not when I get there

- Don't wait for conditions to change before we start packing

III. IT DOES NOT YET APPEAR

A. Without vision something that God wanted to give life to, dies

- On July 14th Joy celebrates its 33rd anniversary

I John 3:1-2 (NKJV) Behold what manner of love the Father has bestowed on us, that we should be called children of God! (It all starts with the love of God) Therefore, the world does not know us, because it did not know Him. Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him, for we shall see Him as He is.

B. We launched 5 stones in Feb of 2022

C. We're still running with the vision

D. When you know where you're going

- It's easier to know what to pack
- It's easier to know what to unpack
- What do I do if I still don't know where I'm going?
