CHRISTIAN CENTER

## SUNDAY GUIDE

A FAMILY CHURCH TEACHING PEOPLE  
TO REACH THEIR WORLD.

## KNOW GOD

God wants us to be close to Him. More than just practicing religion, He wants a relationship with us. Whether you're new to faith, have questions, or have been a Christian for a long time, our weekend services are a safe place to learn more about what it means to know God and grow closer to Him.

## FIND FREEDOM

One of the ways God designed for us to live in freedom is to have the right people in our lives. Connecting with others in our Small Groups is a practical and fun way to find that kind of life-changing community. Small Groups meet throughout the year, and by searching our online directory, you can find a group that fits your schedule and your season of life.

## DISCOVER PURPOSE

We're all an important part of God's plan, and our life will make the most sense when we discover our purpose. Growth Track is designed to help us take steps in that important process and we have four weekly Growth Track Events available to you each month.

## MAKE A DIFFERENCE

This is God's ultimate plan for your life – to make a difference in the lives of others. When we do, the Bible tells us we will experience extreme joy. Through the Joy Dream Team, we hope to connect every person to an opportunity to grow in their calling. Learn more about the Dream Team at the Growth Track.

**COFFEE** Enjoy a free coffee on us! Available outside the Joy Bookstore up until 5 minutes prior to the start of services. Please remember to keep a lid on it.

**CHILDREN'S SERVICES** It's not childcare. At Joy, we want our children to experience the love of Jesus. Age-appropriate classes are available during Sunday services for infants through 6th grade.

**MOTHER'S ROOM & CARE ROOM** As a family church, we specially designed these areas for parents with infants and children. Here you can enjoy the live-streamed service from a private environment where you are free to feed, change and care for your child.

**GROWTH TRACK** God has an incredible purpose for your life! Joy's Growth Track is designed to help you discover that purpose. You will spend four Sundays diving into what it looks like to FOLLOW Jesus, CONNECT to the church, DISCOVER your purpose and MAKE A DIFFERENCE with your life as you SERVE others. Growth Track is held the first through fourth Sundays of the month, immediately following the 10:45am service. Lunch and childcare are provided. Attend in any order, no pre-registration needed.

**BOOKSTORE** Stop in to pick up something to help you along your journey. We have an assortment of Bibles, resources to compliment recent messages and a featured section showcasing what our Pastors are currently reading. Fees for Small Groups and upcoming events can be paid here too.

**WHAT'S HAPPENING DESK** Stop by the What's Happening Desk to sign up for events happening at Joy, or if you'd like more information regarding connecting through a specific ministry (Mens, Womens Students, Royal Rangers, Celebrate Recovery, etc.)

**CONNECT CARD** If you're new here or have anything you'd like to share, we'd love to hear from you. Connect Cards are located in the seatbacks throughout the Sanctuary. We promise we won't bombard you with calls or mail, more info shared simply allows us to take better care of you.

**PRAYER** We would love to stand with you in prayer. If you have any prayer requests, share them with us via the back of a Connect Card. Additionally, the first Sunday of each month our Prayer Team is available to pray with you in the Care Room between services.

**ONLINE MESSAGES** Use the Bible App *YouVersion* to follow along with online notes. You can also watch or listen to today's message and any previous messages at [greatjoy.org/media/sermon-library](http://greatjoy.org/media/sermon-library).

There's a place for you to
